AIA NEW YORK ANNOUNCES 2018 DESIGN AWARDS RECIPIENTS

Freelon Adjaye Bond / Smithgroup recognized with Best in Competition Award for the Smithsonian National Museum of African American History & Culture.

Updated 3/22: As of March 22, 2018, the AIANY Board of Directors rescinded the Architecture Merit Award given to the Leblon Offices in Rio de Janeiro, Brazil (Architect: Richard Meier & Partners Architects; Associate Architect: RAF Arquitetura) and the Interior Merit Award given to The Lobster Club in New York City (Architect: Peter Marino Architect).

NEW YORK CITY, January 9, 2018 – On Monday, January 8, 2018, a jury of independent architects, educators, critics, and planners from outside New York City convened at the Center for Architecture to select the winners of the **2018 AIA New York Design Awards**. That evening, they publicly announced the **32 winning projects** at a symposium at the Center for Architecture.

The 32 selected projects and the architecture firms that designed them – many of whom were on hand for the symposium – represent the exceptional work by AIA New York members and architects practicing in New York City in four categories: Architecture, Interiors, Projects, and Urban Design. The jurors named the **Smithsonian National Museum of African American History & Culture by Freelon Adjaye Bond / Smithgroup Best in Competition**.

Each winning project, granted either an “Honor,” “Merit,” or “Citation” award, was chosen for its design quality, response to its context and community, program resolution, innovation, thoughtfulness, and technique. Submitted projects had to be completed by AIANY members, architects/designers practicing in New York, or be New York projects designed by architects/designers based elsewhere. The winners range from temporary installations and exhibitions to large-scale urban interventions. 12 of the 32 winners are projects located in New York City.

Design Awards Exhibition

All winning work will be exhibited in the **2018 AIANY Design Awards exhibition** at the Center for Architecture beginning **Friday, April 20**, with an opening reception from 6-8pm. The exhibition, designed by **Once-Future Office**, will remain on view through Wednesday, June 27.

Honors and Awards Luncheon and Upcoming Programs

In addition to the Jury Symposium, winning projects will be recognized at the **Honors and Awards Luncheon, Friday, April 20**, at Cipriani Wall Street (www.aiany.org/awardslunch).

Members of the press are invited to all events. Jurors and a list of the winning projects are on the following pages. For project details and photographs or to RSVP to Design Awards events, contact Camila Schaulsohn at AIA New York, 212-358-6114 or cschaulsohn@aiany.org.
