AIA NEW YORK ANNOUNCES 2020 DESIGN AWARDS RECIPIENTS

*Thomas Phifer and Partners recognized with Best in Competition Award for
Glenstone in Potomac, MD.*

NEW YORK CITY, January 14, 2020 – On Monday, January 13, 2020, a jury of independent architects, educators, critics, and planners from outside New York City convened at the Center for Architecture to select the winners of the [2020 AIA New York Design Awards](#). Yesterday evening, the jurors publicly announced the **35 winning projects** at a symposium at the Center for Architecture.

The 35 selected projects and the architecture firms that designed them – many of whom were on hand for the symposium – represent the exceptional work by AIA New York members and architects practicing in New York City in five categories: Architecture, Interiors, Projects, and Urban Design, and Sustainability. The jury also selected one project as Best in Competition: **Glenstone by Thomas Phifer and Partners**.

Each winning project, granted either an “Honor”, “Merit”, or “Citation”, was chosen for its design quality, response to its context and community, program resolution, innovation, thoughtfulness, and technique. Submitted projects had to be completed by AIANY members, architects/designers practicing in New York, or be New York projects designed by architects/designers based elsewhere. The winners range from temporary installations and

exhibitions to large-scale urban interventions. 17 of the 35 winners are projects located in New York City.

Design Awards Exhibition

All winning work will be exhibited in the **2020 AIANY Design Awards exhibition** at the Center for Architecture beginning **Thursday, April 16**, with an opening reception from 6-8pm. The exhibition, designed by **Omnivore**, will remain on view through June 27.

Honors and Awards Luncheon

In addition to the exhibition, winning projects will be recognized at the [Honors and Awards Luncheon](#), **Friday, April 17**, at Cipriani Wall Street.

For project details and photographs or to RSVP to Design Awards events, contact Camila Schaulsohn at AIA New York, 212-358-6114 or cschaulsohn@aiany.org.
